EMERGENCY INFORMATION:

I am a certified diver that has been diving within the past year or I am currently participating in a dive training course or I am a student diver under the direct supervision of an instructor. I have been taught and understand that scuba diving has inherent risks and dangers associated there with including, but not limited to, risks associated with equipment failure, perils of the sea, acts of fellow divers and I SPECIFICALLY ASSUME ALL SUCH RISKS.

I acknowledge that I am physically fit to scuba dive and snorkel and I will not hold JADS Beach Store & Dive Center or its owners, employees, agents or boats responsible if I am injured because of injuries or illness which may occur while I am diving and/or snorkeling. I do not have in my possession any illegal drugs, nor am I taking, nor have I recently consumed any drugs or medication that would contraindicate diving. I am not under the influence of alcohol nor am I hung-over. I am aware of the dangers of holding my breath while diving and of the dangers associated with rapid descents and ascents. I fully understand and I am aware that the boat has limited medical facilities and that in the event of illness or injury, appropriate medical help must be summoned by radio and that treatment will be delayed until I can be transported to a proper medical facility. All photos taken by employees of JADS during dives are property of JADS Beach Store & Dive Center and may be used for promotional purposes.

Prior to leaving the dock, I will inspect all equipment to be used, I will take whatever actions are necessary to resolve any problems with my equipment before diving and I will not dive if any of my equipment is not functioning properly. I will not hold JADS BEACH STORE & DIVE CENTER or its owners, employees, agents or boats responsible for my failure to inspect my equipment prior to diving. I will be present and attentive to the safety and site briefing given by the divemaster, instructor and boat captain and if there is anything that I do not understand or have been taught differently, I will notify the divemaster, instructor and boat captain immediately, I understand it is my responsibility to plan and carry out my own dive and I agree to be responsible for my own safety. I will start my ascent at the end of each dive with enough air to guarantee being on the boat with a minimum of 500PSI or 50BAR remaining in my tank. I will immediately abort my dive if: (1) feel uncomfortable with my diving abilities; and or (2) diving conditions are worse than those for which I have been trained or for which I have experience. If I become distressed on the surface, I will IMMEDIATELY drop my weights and inflate my BCD for permanent floatation assistance and if I want or need assistance from the boat, I will give the proper "diver in trouble" signal. I will not hold JADS BEACH STORE & DIVE CENTER or its owners, employees, agents, or boats for failure to rescue or recover me.
